

## UNTIL THE DAY

When I walk through suffering  
Let it be an offering  
Like a fragrance rising  
In the valley of shadow  
Not to waste my sorrows  
But to trust and follow

Until the day  
When you wipe away every tear  
You will hold me, carry me  
Till that day  
When You take away every fear  
No more suffering  
Who can imagine

So I'll trade my sorrows  
For the joy of serving you  
Sharing your tomorrow  
With your comfort, comforting  
Bringing hope from hope you bring  
My whole life an offering

Until the day  
When You wipe away every tear  
You will hold me, carry me  
Till that day  
When You take away every fear  
No more suffering  
Who can imagine that day
