

WE WON'T STAY SILENT (JESUS YOU ARE HERE WITH US)

Jesus you are here with us
Our hearts are being stirred
Spirit intercede for us
With groans too deep for words

And teach us how to pray
Could we be a prayerful people?
Shake us up today, Lord

We're calling out on our knees
Desperate Lord for you to be
In our cities, in our streets
Lifted high for all to see
We won't stay silent anymore
Won't stay silent anymore

Holy Father, hear our cry, we're knocking on your door
Help us Lord to persevere, you know we long for more

Oh! Oh!, we won't stay silent
